 Seoro joa jungneun babo, babo
 Am
 Neo eopshin eojujeopgo seulpeojeo, giundo mak eopseoyo
 F
 Duri jal mannattae, hey now we'll be ok

[Verse 2]

C

Hey boy I don't know why you can't be with me

E7

I'm original visual, they ain't got nothing on me, yeah

Am

I'm about to blow your spot, boy you bout to make me hot, lemme just stop

F

How do I get rid of you? Ooh

C

I can never pull off, something I can't be

E7

I can never be enough for you to fill your needs

Am

But I can't leave

F

And take my love from you, ooh

[Pre-chorus]

C

E7

Tears are on my phone but the symptoms in my heart

Am

So tell me what's the cure for you (tell me now)

F

'Cause boy you make me so confused (boy you make me so confused)

[Chorus]

C

You got me feeling like a psycho, psycho

E7

Got me chasin' shots of Nyquil, Nyquil

Am

Without you got me dizzy and upset, got me so obsessed with you

F

Look what you started, I'm psycho you're heartless

C

Like a psycho (psycho), psycho (psycho)

E7

Got me chasin' shots of Nyquil (Nyquil), Nyquil (nyquil)

Am

Without you got me dizzy and upset, got me so obsessed with you

F

Look what you started,

F

Hey now we'll be ok

[Bridge]

C

E7

Am

D

It's alright, it's okay I don't wanna play that game

F Em7
And tomorrow will be a better day
Cm7
Everything will be okay

[Chorus]

G C
You got me feeling like a psycho, psycho
E7
Got me chasin' shots of Nyquil, Nyquil
Am
Without you got me dizzy and upset, got me so obsessed with you
F
Look what you started
F
Hey now we'll be ok

[Outro]

C
Hey now we'll be ok, hey now we'll be ok
E7
Hey now we'll be ok, hey now we'll be ok
Am
It's alright (it's alright) Ooh
F
It's alright, ooh

C
Hey now we'll be ok, hey now we'll be ok
E7
Hey now we'll be ok, hey now we'll be ok
Am
It's alright, ooh
F
It's alright, urin jom isanghae

Psycho
